ENGINEERING**

A BETTER COMMUNITIES COLLABORATIVE COMPANY

LANDSCAPE ARCHITECTURE SERVICES

Building Better Communities

W&A Engineering uses landscape architecture to bring man-made elements into harmony with the natural environment. Our team of talented designers and technical experts enhance the environment, resolve design challenges, and enhance value for the project.

Since 1999, the W&A team has worked to foster lasting relationships within the communities we serve to build long-lasting relationships with our clients. W&A is considered a trusted partner of community leaders and developers driving sustainable growth throughout the United States.

With project experience in 46 states and counting, W&A Engineering offers a number of contract planning services for cities, counties, and regional organizations. These services include a range of general to specialized services spanning the urban and rural communities.

CORE SERVICES

-  Land Surveying
-  Civil Engineering
-  Traffic Engineering
-  Landscape Architecture
-  Economic Development Consulting
